Thank you for your email of 29 April 2024 to Kāinga Ora – Homes and Communities requesting the following information under the Official Information Act 1982 (the Act):

> *"Would you please provide me with data about the numbers of public housing delivered between 1 August 2023 and 30 April 2024 (broken down by Kāinga Ora and Community Housing Providers). As well as the number of houses in Kāinga Ora's pipeline as at 30 April 2024 broken down by financial year. Would this data please be provided broken down by local authorities".*

The original due date was 27 May 2024. The reply date was extended to 30 May 2024 under section 15A(1)(b) of the Act, as consultations necessary to make a decision on the request are such that a proper response to the request cannot reasonably be made within the original time limit. The April 2024 information is not published until 29 May 2024, and is embargoed until after that date.

The part of your request relating to Community Housing Providers was transferred to the Ministry of Housing and Urban Development under section 14(b)(i) of the Official Information Act, as the information, or some of the information, to which the request relates is not held by the department or venture or Minister of the Crown or organisation but is believed by the person dealing with the request to be held by another department.

Attachment 1 provides the information requested from Kāinga Ora. The attached information is for public homes delivered through redevelopment of Kāinga Ora owned land or bought new from builders or developers.

The pipeline is to 30 June 2025. The current Public Housing Plan has set out deliverables to 30 June 2025, and we await direction from the Government on any future quantity of homes they may want us to deliver beyond this date. These projects are subject to change as project planning progresses.
