## Find out about new social housing for Napier

**With the strong demand for social housing in Napier, Kāinga Ora – Homes and Communities has a large build programme underway. There are 405 new state homes in the pipeline. Most of them will be built in Maraenui, Marewa and Onekawa.**

325 homes are now in progress.

We have early plans for another 80 homes that would be built on our existing land that we need to make better use of. Planning for these sites is still in progress and is subject to redesign or refinement.

### Community Drop-in Week
