

1 April 2021

Thank you for your email to the Ministry of Business, Innovation & Employment dated 8 March 2021 requesting under the Official Information Act 1982 (the Act) the following information:

- *The new target number of properties to be build under the Kiwi Build Program*
- *The number of new properties to be build in Auckland and Wellington over the next 5 years*

Your request was transferred to Kāinga Ora – Homes and Communities, as we are responsible for delivery of the KiwiBuild programme.

On 4 September 2019, Hon Dr Megan Woods, Minister of Housing, announced a Reset of the Government Build Programme. As part of the Reset, the target for the number of KiwiBuild homes to be built was removed and Minister Woods reaffirmed the Government's commitment to get more New Zealanders into warm, dry, and secure homes. Therefore, the first part of your request is refused under section 18(e) of the Act as the information does not exist.

Progress on the number of KiwiBuild homes being built, sold, and available to buy is now published monthly on the Government Housing Programme dashboard, which can be found here: <https://www.hud.govt.nz/news-and-resources/statistics-and-research/government-build-programme-housing-dashboard/>

As at 31 January 2021 the KiwiBuild programme has contracted 1,770 KiwiBuild homes to be built in Auckland and Wellington over the next five years (financial years 2020/2021 to 2024/2025). A contracted home is defined as one to be built under the KiwiBuild programme by a developer that has an underwrite agreement, built within a Kāinga Ora redevelopment or built as part of a Land for Housing development. This number does not include future contracts that may be agreed with developers to deliver KiwiBuild homes.

A breakdown of the 1,770 KiwiBuild homes contracted to be built in Auckland and Wellington, together with the number to be built in other parts of New Zealand over the next five years follows:

Region	Homes
Auckland	1678
Wellington	92
Other	195
<b>Total</b>	<b>1965</b>

You have the right under section 28(3) to seek an investigation by the Ombudsman about the decision. Information about how to make a complaint is available at either [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or Freephone 0800 802 602.

Yours sincerely
