s9(2)(a)

Thank you for your email of 17 February 2022 to Kāinga Ora – Homes and Communities requesting the following information under the Official Information Act 1982 (the Act):

- 1. How much was budgeted by Housing NZ for the resource consent including hearings of Commissioners as noted above?*
- 2. How much has been paid by Housing NZ to date in respect of the resource consent including hearings noted above?*
- 3. What others costs are anticipated by Housing NZ in respect of the resource consent and hearings noted above?*
- 4. Given that 14 Bristol Street is not to be used as a Corrections facility what will the property now be used for?*

Kāinga Ora spent a total of \$83,380 (excluding GST) for the consent process for 14 Bristol Street. Of this, \$18,167 was on-charged to Corrections. We do not anticipate any other costs associated with this. Kāinga Ora did not have a separate budget specifically allocated for the consent process.

Kāinga Ora is still considering its options for the property and no decisions have been made at this stage.

Please note that Kāinga Ora proactively releases our responses to official information requests where possible. Our response to your request may be published at <https://kaingaora.govt.nz/publications/official-information-requests/> with your personal information removed.

Yours sincerely
