Kāinga Ora – Homes and Communities prefers to deliver new warm and dry public homes through redevelopment of its own land. Homes are also delivered through new homes bought from the market (new builds) and occasionally Kāinga Ora buys existing homes or leases homes to meet demand.

More information on how Kāinga Ora - Homes and Communities approaches building, what Kāinga Ora is building and our approach to innovation and sustainability is outlined at <https://kaingaora.govt.nz/developments-and-programmes/>.
